A Legacy of Style

HARDWOOD

superior elegance | longest lifetime | sustainable

Hardwood

ENHANCED BEAUTY

Natural, durable, beautiful—hardwood by Eagle Creek is engineered to last for decades, without the warping and moisture-related problems experienced with solid hardwood.

Installation is a breeze using the integrated tongue and groove locking system.

Featuring **Crystalguard®**, our proprietary anti-scratch coating that's crystal clear and never yellows, protecting the natural beauty of the wood without the need for waxing or polishing.
